

Optom. VITAN MIHIR JOSHI, M. OPTOM

Medical Administrator | Senior Optometrist | Academic Lecturer

📍 Visnagar, Gujarat | 📞 09429730304 | ✉ vitan_joshi@hotmail.com

PROFESSIONAL PROFILE

A dynamic Medical Administrator and Optometrist with over 15 years of experience in healthcare management, clinical operations, and academia. Proven track record in optimizing hospital workflows, ensuring regulatory compliance, and maintaining high standards of patient care. Expert in combining clinical expertise with strategic administration to drive hospital growth.

CORE COMPETENCIES

- **Medical Administration:** Healthcare Quality Management, Hospital SOP Development, Regulatory Compliance (NABH/Local Health Authority), Staff Training & Leadership.
- **Clinical Expertise:** Pediatric Optometry, IOL Calculation, Low Vision Rehabilitation, Electro Diagnostics (mfERG), Contact Lens Management.
- **Operational Excellence:** Patient Journey Mapping, Resource Allocation, Emergency Protocol Management, Healthcare Information Systems (HIS).

PROFESSIONAL EXPERIENCE

Medical Administrator | Jyoti Eye Hospital, Visnagar

Feb 2010 – Present

- **Operational Leadership:** Direct all clinical and non-clinical departments to ensure seamless hospital operations and optimal resource utilization.
- **Quality & Compliance:** Implement and monitor Clinical Governance protocols to ensure patient safety and adherence to healthcare regulations.
- **Stakeholder Management:** Act as the primary liaison between medical staff, patients, and insurance providers.
- **Clinical Supervision:** Oversee the optometry department, ensuring the highest accuracy in diagnostics and therapeutic interventions.
- **Patient Experience:** Established a patient feedback system that significantly improved service delivery and patient retention rates.

Examiner & Lecturer | Nagar School of Optometry

2010 – Present

- Design academic curricula and conduct clinical examinations for B.Optom, M.Optom, and Ph.D. scholars.

Optometrist / Clinical Researcher | Aditya Jyot Eye Hospital, Mumbai

July 2008 – Feb 2010

- Conducted advanced clinical research in collaboration with ScyFix and LUX Biomedix.
- Managed specialized diagnostic clinics focusing on complex ocular cases.
